6th March 2018,

On Behalf of the Board,

I'd like to acknowledge the members of the Ferntree Gully Eagles Football and Netball Club for voting to form the Inaugural Board of Directors.

It is an honour to have been elected Chairman of the Board. It really feels like a welcome home.

The Ferntree Gully Eagles Football and Netball Club has been an influential part of many lives over the years and will continue to provide a safe, inclusive and professional environment for club members and the entire community.

Our aim is to be the sporting club of choice within the Ferntree Gully and surrounding areas and strive for progressive outcomes on and off the fields of play. The Board will be working closely with the strategic plan and direction of the Club.

The day to day running of the club will continue with the Executive team and their respective Committees, I would encourage members to open communication with these teams. If they feel anything needs to be discussed at Board level then appropriate lines of communication will be provided.

It really is an exciting time to be involved in the newly formed Entity with the amalgamation of the Senior and Junior Football Clubs, as well as the Netball Club. I encourage all current and past players, members and officials to embrace the changes as we transition into a progressive organisation which will provide reward and stability into the future.

Yours Sincerely

Brad Wiseman

Board Chairman
